## BDGA JUNIOR GOLF SCHOLARSHIPS

The Buffalo District Golf Association offers scholarship aid to young men and women who are planning to attend college. These scholarships are designed to provide some financial aid to those Junior golfers who have been faithful participants in BDGA events and whose clubs support the BDGA program. Depending upon the number of applications and total amount budgeted, these scholarships usually number three to six a year and are awarded in sums of \$3000 (four years of college at \$750 per year). The check is sent to the college that the recipient is attending.

### CRITERIA FOR CONSIDERATION

1. The applicant or family must be a member of a BDGA club that has served as a tournament host club or has participated in the BDGA Friday Interclub league.
2. The applicant must have played in either the BDGA Junior Stroke Play or Junior Match Play championships or equivalent.
3. The applicant must have a cumulative 85% scholastic average in high school.
4. The applicant must rank in the upper 1/3 of his/her graduating class.

The BDGA Junior Golf Scholarship awards are designed to reward young golfers who have been faithful to the BDGA Junior golf programs over the years. We also hope that the clubs who sponsor such Juniors are contributing to the overall health of the BDGA by being involved in the Junior program.

There are 3 forms that you must fill out or have filled out. There is the application itself; The form to be filled out by your home club; The form to be filled out by your school principal. Please make sure that you have all 3 forms returned to the BDGA. Your application will not be considered by the district if you are missing any form.

If you and your club meet the above qualifications, please complete the application forms and submit them to the BDGA office as soon as possible after the start of your senior year in high school...and good luck!
